## blower components

IMPORTANT INFORMATION REGARDING THIS HOOD ONLY: BELOW IS THE VIEW OF THE BLOWER ASSEMBLY IF YOU ARE STANDING IN FRONT OF THE HOOD. PLEASE ORDER PARTS BASED ON THEIR POSITION IN THIS DIAGRAM AND NOT ON THEIR DESCRIPTION. For example, if you need the impeller on the right, you need Item 309, part # 4120797, even though it's description reads "Left Impeller". (This blower assembly when used in other hoods faces the opposite direction.)

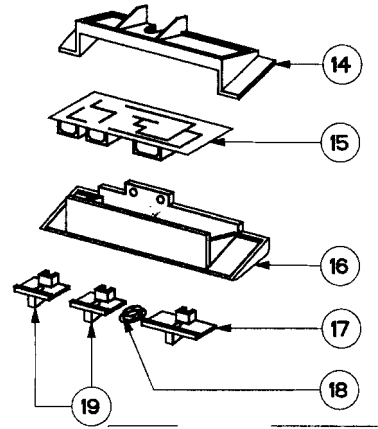

note: this view shows the blower assembly in the rear vent position; the location of blower parts will not change (left to right) if the blower assembly is in the top vent position.
