A NEW CHOICE IN PROFESSIONAL UNDER CABINET HOODS. The new Maestrale by Faber is a 10” tall, 23” deep under cabinet wall hood with a 600 CFM Pro all metal blower housing and impellers. With baffle style grease filters, top or direct rear venting, welded, wrapped and polished corners and a 3 speed control, this unbranded hood can be mixed and matched with any cooking brand.

KEY FEATURES

Pro Motor
The motor in this hood is surrounded in metal with all metal impellers for top performance

Adjustable Mounting Hardware
Wall brackets are adjustable once the hood is hung to insure a perfect level installation

Direct Rear Venting
Vent the ducting up or rotate the blower to the back to avoid extra duct work when on an outside wall

Baffle Grease Filters
Dishwasher safe SS metal filters capture grease and allow for easy clean up in the dishwasher

ACCESSORIES

- **# MUDAMPER6 / MUDAMPER8 – Universal Make-Up Air Damper**
  Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

- **# DUCTGRT30 / DUCTGRT36 – Ductless Vent Grate Kit**
  A 4” tall stainless steel vent grate which is installed between the hood & the cabinet to recirculate the air back into the kitchen when ducting outside isn’t possible. Includes the vent grate, hardware and charcoal filters.

- **# FILTER1 – Replacement Charcoal Filter Kit**
  High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months

- **# TELEMAES – Telescopic Chimney Cover**
  24” wide, extends to accommodate 8 - 9 foot ceilings

- **# FULL30 / FULL36 / FULL42 – Full Width Duct Cover**
  12” high, extends full width of the hood

Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood.

*Check local make up air codes for guidelines.*
