CHLOE WALL RANGE HOOD

A MODERN TAKE ON COUNTRY CHIC. The Chloe complements traditional and modern kitchen designs alike and is offered in painted black. The Chloe can float on the wall giving it unique shape and charm or for the more traditional look add a chimney kit. With advanced features like LED lighting and auto shut off timer, the Chloe is THE modern designer hood.

KEY FEATURES

LED Light Bar
Low consumption 3 watt/4000K LED bar with a dimmer to light up your cooking area using very little energy.

Perimeter Aspiration
Air is forced through narrow slots around the perimeter of the center panel greatly improving contaminant extraction.

Remote Control (optional)
Control all features of the hood from the convenience of a wireless ADA compliant remote control. (sold separately)

Rear Mounting Bracket
Extends Chloe off the wall and allows for rear venting.
# FILTER1 – Charcoal Filter Kit
High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months.

# FILTER1LL2 – Long Lasting Charcoal Filter Kit
New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years.

# REMORIG – Remote Control
Control all features of the hood from the convenience of a wireless remote control.

# MUDAMPER6 / MUDAMPER8 – Universal Make-Up Air Damper
Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

WARNING! Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood. * Check local make up air codes for guidelines.
