AN UPDATED VERSION OF THE CLASSIC FABER INSERT HOOD. The updated 600 and 400 CFM Inca HC by Faber features new advanced electronic controls, an optional remote control and two level halogen lights. The new Inca HC has stainless covered mesh dishwasher safe grease filters and has the ability to vent up or to the back to minimize duct work and maximize power. Now also available in 400 CFM for make up air compliance (check local codes).

### ACCESSORIES

#### CFMRED2

CMF Reducer Kit*

For use in make up air environments where an under 400 cfm hood is required. This kit reduces the ducting to 5" round and reduces the CFM from 400 to under 300.

#### FILTER1

Charcoal Filter Kit

High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months.

#### FILTER1LL

Long Lasting Charcoal Filter Kit

New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years.

#### CFMRED2

CFM Reducer Kit*

For use in make up air environments where an under 400 cfm hood is required. This kit reduces the ducting to 5" round and reduces the CFM from 400 to under 300.

#### FILTER1

Charcoal Filter Kit

High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months.

#### FILTER1LL

Long Lasting Charcoal Filter Kit

New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years.

#### LINE30ST / LINE36ST

Stainless Steel Liner 30 & 36"

Create a perfectly-sealed, non-combustible 4" tall perimeter to "line" the wood below the hood. Depth adjustable from 16" - 17 7/8".

#### REMCTRL

Remote Control

Control all features of the hood from the convenience of a wireless remote control.

#### WIREBOX

Fixed Wiring Box

Replace the power cord with a hard wired box to power the range hood.

#### MUDAMPER6 / MUDAMPER8

Universal Make-Up Air Damper

Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

#### CFMRED2

CFM Reducer Kit*

For use in make up air environments where an under 400 cfm hood is required. This kit reduces the ducting to 5" round and reduces the CFM from 400 to under 300.

#### LINE30ST / LINE36ST

Stainless Steel Liner 30 & 36"

Create a perfectly-sealed, non-combustible 4" tall perimeter to "line" the wood below the hood. Depth adjustable from 16" - 17 7/8".

#### REMCTRL

Remote Control

Control all features of the hood from the convenience of a wireless remote control.

#### WIREBOX

Fixed Wiring Box

Replace the power cord with a hard wired box to power the range hood.

#### MUDAMPER6 / MUDAMPER8

Universal Make-Up Air Damper

Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.
