## ACCESSORIES

### # FILTER2 - Charcoal Filter Kit

High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months.

### # CFMRED2 - CFM Reducer Kit\*

For use in make up air environments where an under 400 cfm hood is required. This kit reduces the ducting to 5" round and reduces the cfm from 400 to under.

### # WIREBOX - Fixed Wiring Box

Replace the power cord with a hard wired box to power the range hood.

### # HIGH3 - High Ceiling Kit

High ceiling kit replaces the upper and lower chimney with taller chimney's to reach up to 11'.

### # REMCTRL2 - Remote Control

Control all features of the hood from the convenience of a wireless remote control.

### # MUDAMPER6 / MUDAMPER8 - Universal Make-Up Air Damper

Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

### # DUCT4 - Ductless Conversion Kit

To convert the Bella to ductless, this kit includes charcoal filters and a diverter to send the air thru the side grates on the upper chimney.

### # CFMRED - CFM Reducer Kit\*

For use in make up air areas where an under 300 cfm hood is required. This kit reduces the ducting to 5" round and reduces the cfm to under 300.

WARNING! Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood. \* Check local make up air codes for guidelines.
