**ACCESSORIES**

- **# FILTER2 - Charcoal Filter Kit**
  High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months

- **# HIGH2 - High Ceiling Kit**
  High ceiling kit replaces the upper chimney with a taller chimney to reach up to 10’ 10 1/2”

- **# DUCT2 - Ductless Conversion Kit**
  To convert the Glassy Isola to ductless, this kit includes a chimney with holes, charcoal filters and a diverter to send the air thru the side grates on the new lower chimney.

- **# REMCTRL2 - Remote Control**
  Control all features of the hood from the convenience of a wireless remote control

- **# MUDAMPER6 / MUDAMPER8 - Universal Make-Up Air Damper**
  Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

**WARNING!** Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood. * Check local make up air codes for guidelines.
