ACCESSORIES

- # FILTER1 - Charcoal Filter Kit
  High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months

- # DUCTCLPL - Ductless Conversion Kit
  To convert the Tender to ductless, this kit includes charcoal filters and a diverter to send the air thru the side grates on the lower chimney.

- # Baffle Filter Kit
  Upgrade mesh grease filters to stainless baffle grease filters. BAFFLE2 for 30” models, BAFFLE3 for 36” models.

- # HIGHTNDR - High Ceiling Kit
  High ceiling kit replaces both the upper chimney with a 39” chimney to reach up to 11’

- # FILTER1LL - Long Lasting Charcoal Filter Kit
  New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years.

- # REMCTRL2 - Remote Control
  Control all features of the hood from the convenience of a wireless remote control

- # HIGHTNDRBS - High Ceiling Chimney Kit
  One tall upper chimney kit. For black stainless steel only.

- # MUDAMPER6 / MUDAMPER8 - Universal Make-Up Air Damper
  Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

- # WIREBOX - Fixed Wiring Box
  Replace the power cord with a hard wired box to power the range hood.

WARNING! Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood. * Check local make up air codes for guidelines.
