ACCESSORIES

- #MUDAMPER6/MUDAMPER8/MUDAMPER10 - Universal Make-Up Air Damper
  Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

- #INLBKIT - 10” In-line blower kit
  Use to connect a separately purchased in-line blower or previously installed remote blower to the range hood. Includes a duct plate with a 10” round duct collar and a built in wiring box.

- #FILTER1 - Charcoal Filter Kit
  High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months.

- #FILTER1LL - Long Lasting Charcoal Filter Kit
  New washable charcoal filter can be recharged and washed up to 8 times. For use when recirculating the air back into the kitchen. Filters out odor and can last up to 4 years.

- #FLANGE10 - 10” Plate for Remote Blower
  A 10” plate for connecting the remote blower to 10” round ducting. This is required for remote blowers.

10” transition included with IB1200

WARNING! Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood.
