KEY FEATURES

Pro Motor
The motor in this hood is surrounded in metal with all metal impellers for top performance.

Reversible Motor
The motor can be mounted in the front or behind any cooking surface or range.

Fully Integrates with the Counter top
In the down position the Scirocco Plus is unobtrusive in your kitchen.

ACCESSORIES

# FILTERS
- **Replacement Charcoal Filter Kit**
  High quality charcoal filter for use when recirculating the air back into the kitchen. Filters out odor and should be replaced every 6 months.

# DUCTS
- **Ductless Conversion Kit**
  Converts the Scirocco Plus to ductless. The kit includes charcoal filters and a kick plate return register to vent back into the kitchen.

# MUDAMPER
- **MUDAMPER6 / MUDAMPER8 / MUDAMPER10**
  Universal Make-Up Air Damper
  Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory. NOTE: MUDAMPER10 for use with 900/1200 cfm motors.

# FLANGE10
- **10” Plate for Remote Blower**
  A 10” plate for connecting the remote blower to 10” round ducting. This is required for AXP250 & non-Faber remote blowers.

VENTING OPTIONS

**WARNING!** Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood. * Check local make up air codes for guidelines.
